

# San Vicente Hill Viewpoint

## What can we see from here?

From left to right we see:

1. The dome of the Purísima Church
2. The Congress and Exhibition Palace
3. The Pontifical University
4. The Clerecía of San Marcos
5. San Sebastián Church
6. The Major Schools of the University
7. The Cathedral tower
8. The remains of San Lorenzo Church
9. The Roman bridge
10. The New Church of the Arrabal

## History of the place

- More than 3000 years ago, there were forests and animals here.
- The Vettones were the first to live here.
- They changed the forests and created the city.
- This is how Salamanca's history began.

## Interesting facts

- This hill is important because Salamanca started here.
- There used to be a monastery called San Vicente.
- That's why the viewpoint is called San Vicente Hill.
